

## FY25 – 29 FSMC RFP

### **Exhibit F – Current Menus**

See Natick public Schools Web Page at:

<https://sites.google.com/natickps.org/natickfoodservice/home>

### **Exhibit G – See Approved School Calendars**

<https://www.natickps.org/calendar>

All approved calendar updates and announcements are posted in short order to the school web page, the FSMC is expected to check the web page regularly, no less frequently than with each menu change.

### **Exhibit H – Cleaning, Ala Carte, Vehicles and Cash**

Cleaning standards are what is commonly expected to meet the Town Board of Health standards and regulations. Floors are cleaned by custodians, kitchen equipment and prep areas are cleaned by the food service staff.

A la carte is small portion of the program, not currently necessary for the financial solvency of the program.

NPS has vehicle and supplies to deliver (prepared) food to schools that do not have full service kitchens.

Cash is not encouraged but accepted and deposited to local bank by FSMC staff. The kitchen manager or FSMC staff will post the cash to the student's online account.
